**Dear Parents,**

Greetings from St. Aloysius Orphanage & Day School.

We take this opportunity to thank you for your unwavering support to the school during these years of hardships due to the Covid-19 Pandemic. Despite the financial constraints that the on-going pandemic has put upon everyone, the School had not increased the fees during the past two consecutive years. In fact, all parents were given a rebate, and many who were in dire strain were given concessions and/or free ships.

The Education Board meeting of the Archdiocese of Calcutta held on 19<sup>th</sup> November 2021, has decided to increase the School Fees with effect from **April, 2022**. The School shall provide OFFLINE instructions to students, subject to orders of the authorities. The fees and additional charges for compulsory facilities to be provided and service to be rendered by the school are as follows:

## Fees structure of the Academic Session 2022 – 2023

Classes	KG - II	III - VIII	IX - X	XI & XII (ISC)
Monthly Tuition fee	2,640	2,640	2,640	3300
Annual / Session Charges	6,050	7,250	7,550	12,350

The Council registration fee for classes IX & XI and Examination fee for Classes X & XII will be as per the rate fixed by the Council.
