

Title: A Fond Farewell: St. Aloysius' Class 12 Farewell Program

On the 3rd of February, 2024, St. Aloysius' Orphanage and Day School bid adieu to its graduating Class XII students with a heartfelt farewell program held in the school hall. The atmosphere was filled with excitement and nostalgia as the students were welcomed with roses and tilak, marking the beginning of a memorable evening.

The students took center stage, showcasing their talents through a well-prepared program that encompassed a soulful prayer service, captivating songs, lively dance performances, and a thought-provoking skit. The teachers also contributed to the evening with special performances, adding a touch of warmth and camaraderie to the event.

Recognition and appreciation were showered upon the students as they received certificates for their excellence in both academic and co-curricular activities. Reverend Fr. Devraj Fernandes graced the occasion, felicitating each student with personalized mementos, creating lasting memories of their time at St. Aloysius'.

A moment of pride unfolded as Keith Heldt was honored with the prestigious School Captain's Award, a testament to his exemplary leadership. Deep Doshi earned the title of Versatile Student of the Year, showcasing his prowess in various domains, while Mayank Singh was recognized as the Sportsman of the Year, celebrating his athletic achievements.

Rev. Fr. Devraj Fernandes, with his inspirational words, motivated the outgoing batch to carry the values instilled by the school into their future endeavors. His guidance left an indelible impression on the students, encouraging them to embrace the challenges that lay ahead.

The day concluded on a delightful note with a sumptuous lunch, providing a perfect opportunity for the students to cherish the last moments together before embarking on their separate journeys. St. Aloysius' Class 12 Farewell Program was not just a goodbye; it was a celebration of accomplishments, friendships, and the promising futures that awaited each graduate.
