

## MENTAL MATHS QUIZ COMPETITION

On 4<sup>th</sup> May, 2023 Mental Mathematics Quiz Competition was held at Fr. Ferdinand Perier Hall. It was organised by the members of St Francis of Assisi House. The competition was divided into two groups. Category 1 was for classes 5-8 and category 2 was for classes 9-12. There were five rounds of questioning for each category. The competitors enjoyed solving the 'Number Series', 'Pattern Completion', 'Coding and Decoding', 'Work and Time' and 'Ranking'.

St Aloysius' House secured the first position in category 1, the second position was sealed by St John Berchman's House and the third place by St Dominic House. In category 2, Francis of Assisi House clinched the top spot. The second place was sealed by St. Aloysius' House as well as St. John Berchman's House. The third spot was pulled off by St. Dominic's House.

It was an enriching experience for the budding quizzers. They learnt how to manage time and to answer questions in a critical way. It also helped them in enhancing their observational skills.
